

To our valued customers and neighbors,

You are the heart of who we are, so we want to let you know what we're doing to keep you and our team safe right now.

We're shortening store hours to 10am-2pm beginning Tuesday, March 17th, and cleaning frequently throughout each day.

We're asking that guests wash and sanitize hands frequently; and if you're feeling ill or under the weather to please choose to join us another time.

We'll post any updates as they arise.

We're all in this together, take care of yourself and each other.

~Crystal & The Azucar Team
